COMMUNITY CONVERSATIONS

Do you have opinions on the most critical issues facing our community? Would you like to be more involved in fighting for the education, financial stability and health of every person in your community? United Way NCA invites you to join us for a conversation to share your views and ideas. We would love to hear your thoughts on our community's greatest challenges— and the assets we can build on to make a real difference. Your voice will help your United Way take a pulse on our community and make an even greater impact in the years ahead.
