

Request for Application as Subcontractor at DC Housing Authority and/or Department of Human Services Sites - Summer 2020

The Government of the District of Columbia (the District) is committed to supporting District children and youth in preparing for a bright future. In service of that commitment, the District is seeking to build and support strong organizations that can provide children and youth with a high-quality summer camp experience. On October 8, 2019 the Office of Out of School Time Grants and Youth Outcomes (OST Office), located in the Office of the Deputy Mayor for Education (DME), in partnership with United Way of the National Capital Area (United Way NCA) issued a 2020 Summer Strong Coordinating Entity Request for Applications (Coordinating Entity RFA).

The Coordinating Entity RFA will identify Coordinating Entities that will organize a full service summer camp experience for children and youth at select locations. These Coordinating Entities are required to subcontract with community based grassroots businesses, nonprofits, or individuals to provide educational, social, emotional, and physical health opportunities and activities for children and youth as part of the summer camp schedule. The Coordinating Entities will be selected through a competitive process by March 2020. This Request for Application (RFA) is being released in an effort to assist the Coordinating Entities in selecting high-quality subcontractors (vendors). This RFA is for any local business, nonprofit, or individual interested in providing direct programming for children and youth ages 5 -17 with an engaging, fun, and educational camp experience at select DC Housing Authority (DCHA) sites and/or DC Department of Human Services (DHS) short term family housing sites.

- Benning Terrace, 4450 G Street SE in Ward in Ward 7
- Syphax Gardens (Greenleaf communities), 1501 Half Street SW in Ward 6
