

United Way of the National Capital Area Jeopardy Game

United Way of the
National Capital Area

Time Needed: 10-30 Minutes

Group size: Any

Overview

This engagement is focused on giving you and your employees an overview of United Way NCA's equity work in the areas of health, education and economic opportunity. After playing this general trivia game, your employees will have a better understanding of the inequities in the National Capital Area and what impact United Way NCA is having on creating a more equitable future.

Items Needed for Engagement

- ✓ Jeopardy Board Sheets
- ✓ Jeopardy Question Sheet

How to Execute the Engagement

In this engagement individuals can either play individually or with a team. One team will start and pick a category and monetary amount. The facilitator will read the corresponding question from the question sheet. The team that buzzes in first and answers the question correctly will get control of the board to earn the points. The winning team is the group with the highest score.

**WHEN NONE ARE IGNORED,
ALL WILL THRIVE.**
