Running a Virtual Campaign Kick-off

As you begin your United Way NCA workplace campaign, a virtual kick-off has many benefits.

**Ready, Set, Go!** A virtual kick-off clearly marks the start of your United Way NCA effort, creating a sense of urgency and a timeline for colleagues. Campaigns with kick-off events have proven to raise more dollars in support of our community!

**Inspiration** The kick-off provides employees with an opportunity to hear about the impact of their donations and be inspired, so they can make an informed decision about giving.

**Team Building** This is a great chance to bring employees together in a common cause of caring to build morale, which is especially important in a time of social distancing and virtual offices.

**Stage Setting** It demonstrates the passion your organization, your senior management team and your colleagues have for the campaign and for supporting our community.

Your United Way NCA staff partner is here to support you and can help you plan and customize your kick-off event. We have created tools and resources to support you in hosting your kick-off virtually. Please contact Lavette Sims at lsims@uwnca.org and 202-488-2113 for more information.
Key Considerations and Planning

Technology Platform
Confirm the online web conferencing platform that is approved by your workplace and learn about the platform’s functionality so your United Way NCA staff partner can help you build your kick-off agenda and activities on the platform. If you cannot host your kick-off on your own technology platform, speak to your United Way NCA staff partner.

Senior Management Support
Support from your executive team is critical to showing your organization is behind the campaign. Book their time so they can participate in your virtual kick-off, or see if there may be existing meetings you can piggyback on. See Appendix B for suggested talking points and presentation content that your senior management team can personalize.

Consider your Audience
For best results, we recommend a kick-off event is scheduled for no longer than 30 minutes. If your employee base is large, you may consider hosting a series of kick-offs (e.g. by department) throughout the day or across a few days. While there is no ideal, you want to strike a balance between being able to reach all your employees and helping people be comfortable enough to ask questions and interact.

Determine the Meeting Host and Other Company Speakers
It is best if the Employee Campaign Chair (ECC) acts as facilitator to ensure your kick-off sticks to the agenda. If the ECC needs support, your United Way NCA staff partner can act as co-host. Invite your CEO or other executive(s) to take part and speak, too, as their leadership can inspire others and demonstrate support of United Way NCA from the top down.

Make it Interactive
Engage your colleagues during the kick-off. Consider interactive activities like online polls or quizzes to keep their attention. Your United Way NCA staff partner can help you build this activity, and we offer virtual events like Poverty Simulations, Jeopardy and Coffee & Conversations.

Raise Awareness about Impact
United Way NCA has speakers that can join your virtual meeting and online awareness activities like our Poverty Simulations and campaign videos that can help share the impact of donations and inspire people to give. Your United Way NCA staff partner can help you select the best awareness-building activities for your agenda.

Set Clear Action Steps
Let people know how they can donate and/or how they can get involved in the campaign. We recommend sending your donation link immediately following your kick-off event, so people can take action while they’re feeling inspired.

APPENDIX A
Key Points for Speakers

The below can be customized/personalized to meet the needs of the speaker(s) at your virtual kick-off.

Opening remarks

Introduction

• Welcome attendees, and thank them for joining the call

• My Name is......

• Before we begin, I would like to welcome two very important guests who are with us this morning (introduce United Way NCA and United Way NCA speaker).

• As many of you know, I am a strong believer of United Way of the National Capital Area’s work and I am proud to be a part of <COMPANY’S> United Way NCA Campaign.

• We all know that inequity is hurting our community and undercutting what we stand for. This is even more evident now during this very challenging time of COVID-19 - our most vulnerable community members are even more at risk.

• We have seen demand for community services skyrocket since the beginning of the crisis here at home. The need for access to health, education and economic opportunity has increased significantly due to this pandemic.

• And that need will continue to climb as we help people get back to work and settle into a new normal for our community.

• What inspires me is that as a nation, we have all pulled together and looked to how we can help during this pandemic. Everyone is stepping up and doing what they can to help to ensure no one falls through the cracks.

• But we have to look to the future, and what our role will be in our long-term community recovery. These issues we have seen in the last few months (food access, senior’s isolation, job security), they are not new and will continue to need to be addressed long after we settle into our new normal.

• That is why we partner with United Way of the National Capital Area; they have been on the front lines to address inequities in our community long before the pandemic. They provide a vital continuum of care for people and families who need support.

• I want to take a moment to recognize and thank each and every one of you in this room for stepping up to support United Way NCA every year. Our collective commitment demonstrates <COMPANY’S> leadership in communities across the nation, raising over X$ for United Way NCA.

KEY POINT ABOUT LAST YEAR’S CAMPAIGN (your United Way NCA Staff Partner can help provide some information if needed)

• IF THE SPEAKER HAS A PERSONAL STORY ABOUT UNITED WAY NCA OR SOMETHING THEY HAVE EXPERIENCED, ADD HERE

• Thank you again for your personal leadership and generous support of United Way NCA. (Introduce next section of presentation.)
Closing Remarks

- Thank you, <GUEST SPEAKER>, for joining us today and speaking. United Way NCA plays such an important role in our community, investing in equity for the health, education and economic opportunity of the National Capital Area. When none are ignored, all will thrive.

- Our annual United Way NCA campaign starts on <DATE>. We have an amazing team that has worked hard to make this year’s campaign even better. Thank you, <CAMPAIGN VOLUNTEERS> for your leadership in the campaign.

- <By now, a donation link should be in your inbox. I encourage you to make a gift now. Let’s demonstrate our commitment to our staff before we officially launch the campaign on DATE.> Optional if there is a multiple kick-off situation and you send out link early

- Our organization’s donations to United Way NCA are part of how we are building a stronger community and creating legacy across our communities.

- Thanks everyone.
**Virtual Kick-Off Planning Schedule**

- **FIRST**
  - **3-5 Weeks Before**
    - **Confirm CEO Attendance**
      - Before picking an event date, work with the CEO's team to book their time and ensure they are available to host the kick-off event(s). Great leadership inspires others!
    - Also consider whether your CEO would like support in scripting their speaking remarks, or would like to speak to slides.
  - **Send Invitation**
    - Send out invitation(s), providing the web conferencing information in the booking.
  - **Collect RSVPs**
    - Consider tracking RSVPs, so you can get a better idea of how colleagues are responding to your invitation.

- **2 Weeks Before**
  - **Draft Invitation**
    - Draft up your invitation. If you need approval from others, consider starting a week earlier.
  - **Confirm Invite List**
    - Pull and sort your invitation list. Work with your HR department to ensure you have captured all staff. Divide up the list (e.g. by department) if you are hosting multiple events.
  - **Request Other Key Speakers**
    - If desired, work with your United Way NCA staff partner to request an impact speaker to really drive home the positive impact you’re making in the community. Please submit this request as early as possible!
  - **Prep Your Pledge Tool**
    - If you haven’t started already, take steps to get your pledge tool up and running to capture donations on event day.

- **1 Week Before**
  - **Send a Reminder**
    - Consider sending a reminder invitation or nudge if many colleagues haven’t responded to your initial invitation.
  - **Update the Invitation**
    - If desired, make updates to the calendar invitation to include an agenda, presentation document, list of speakers or other key information. This update can also serve as a reminder to confirmed attendees.
  - **Confirm Key Speakers**
    - Ensure you have all necessary pieces to enable a successful kick-off presence for your CEO. If applicable, check in with your United Way impact speaker to ensure everything is on track and see if they have any questions (especially about how to access your kick-off virtually).

- **Day Before**
  - **Test Your Pledge Tool**
    - Ensure your pledge tool is ready to accept donations.

- **Event Day**
  - **Last-Minute Test**
    - Test your conference system and any other technology – just in case.
  - **Inspire!**
    - Your event is virtually ‘attended’ by many, and goes off without a hitch. Your entire organization is inspired to support their community and participate in this year’s campaign!

- **Follow Up**
  - **Immediately After the Event:**
    - **Send the Donation Link**
      - Now that you’ve inspired everyone, give them the means to support their community by sending out the donation link.
      - If you’ve hosted multiple events, send the link out after the last kick-off event has concluded.
      - **Thank Others**
        - Send a follow-up communication to thank staff for joining your kick-off event, and encourage them to visit the pledge tool to consider making a donation.
        - Thank key contributors to your kick-off, too (your impact speaker, and anyone who helped you plan). They’ll be pleased to be recognized!
