

## UNITED WAY NCA NATIONAL VOLUNTEER MONTH

APRIL 1 - 30, 2022

Focusing on the critical areas of health, education and economic opportunity, United Way of the National Capital Area (NCA) not only works to provide immediate relief of social problems affecting our community, but also to alleviate the underlying causes of these issues. Serving the District of Columbia, Northern Virginia and Montgomery and Prince George's counties for more than 35 years, we are committed to providing equitable access to and the distribution of resources to improve people's lives.

We are inviting you to participate in United Way NCA's NATIONAL VOLUNTEER MONTH PROJECTS! This year, we have a goal to offer both virtual and in-person opportunities to provide meaningful assistance to individuals and families throughout the region.
